The Sagittarius Full Moon/Lunar Eclipse allowed you the opportunity to take some risks and step out of your comfort zone.

What risks did you take during this time and how did it work out for you?

June 10: New Moon in Gemini (Solar Eclipse)

The Gemini New Moon offered you the opportunity to really focus on how you communicate with others, talking things through, and learning to listen. You also had the opportunity to learn to get out of your head and go into your heart to feel instead of getting lost in your thoughts. Eclipses can make this even more intense.

What big conversations needed to happen in June of 2021?

Did you take the time to listen to your heart instead of your head?

Looking back to June of 2021, what relationship communication issues unfolded and were they resolved?

June 24: Full Moon in Capricorn

The Capricorn Full Moon allowed you the opportunity to do some hard work and tap into nature.

What tasks did you work hard on during this phase?

July 9: New Moon in Cancer

The New Moon in Cancer offered you the opportunity to focus on your relationships, loved ones, and friends that may have needed some nurturing. Your emotions probably felt more intense, even if they were happy emotions.

What was going on in your life in July of 2021, that involved nurturing relationships, loved ones, or even pampering yourself?

July 23: Full Moon in Aquarius

The Aquarius Full Moon allowed you the opportunity to boost your brain power and get that second wind to pursue your dreams.

Did you find yourself overthinking during this phase or did you use your thoughts to empower your motivation to go after your dreams?

August 8: New Moon in Leo

The Leo New Moon offered you the opportunity to “step into your power!” This time was also a beginning of a new cycle for some of you. A time to be in the spotlight and shine your light.

What opportunities did you take advantage of in August of 2021, to shine your light and let others know a part of you that you’ve been hiding?

August 22: Full Moon in Aquarius
